

Mixed Media Printmaking Supply List

- 1 Matte board (the cheapest kind is fine)
- Ideally your own speedball rubber brayer (red handle, tan roller) 4 inch or 6 inch - your choice
- Paper - Canson Edition, Stonehenge, Somerset, Rives BFK printmaking paper are some examples.
- Masking tape
- Sharpie
- Glue (Elmer's and/or super glue)

If you plan on printing with white you will need to supply that ink for yourself. We have a large array of ink colors otherwise.

You don't have to have to bring all of these supplies to the first class but you can. We will mainly talk and demo the first class
